(RE)INSURERS LIABILITY CLAUSE

(Re)insurer's liability several not joint

The liability of a (re)insurer under this contract is several and not joint with other (re)insurers party to this contract. A (re)insurer is liable only for the proportion of liability that it has underwritten. A (re)insurer is not jointly liable for the proportion of liability underwritten by any other (re)insurer. Nor is a (re)insurer otherwise responsible for any liability of any other (re)insurer that may underwrite this contract.

The proportion of liability under this contract underwritten by a (re)insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown next to its stamp. This is subject always to the provision concerning "signing" below.

In the case of a Lloyd's syndicate, each member of the syndicate (rather than the syndicate itself) is a (re)insurer. Each member has underwritten a proportion to the total shown for the syndicate (that total itself being the total of proportions underwritten by all the members of the syndicate taken together). The liability of each member of the syndicate is several and not joint with other members. A member is liable only for that member's proportion. A member is not jointly liable for any other member's proportion. Nor is any member otherwise responsible for any liability of any other (re)insurer that may underwrite this contract. The business address for each member is Lloyd's, One Lime Street, London EC3m 7HA. The identity of each member of a Lloyd's syndicate and their respective proportion may be obtained by writing to Market Services, Lloyd's, at the above address.

Proportions of liability

Unless there is "signing" (see below), the proportion of liability under this contract underwritten by each (re)insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown next to its stamp and is referred to as its "written line".

Where this contract permits, written lines, or certain written lines, may be adjusted ("signed"). In that case a **Schedule** is to be appended to this contract to show the definitive proportion of liability under this contract underwritten by each (re)insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all members of the syndicate taken together). A definitive proportion (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of a Lloyd's syndicate taken together) is referred to as a "signed line". The signed lines shown in the **Schedule** will prevail over the written lines unless a proven error in calculation has occurred.

Although reference is made at various points in this clause to "this contract" in the singular, where circumstances so require this should be read as a reference to contracts in the plural.

EU CONTRACT CONTINUITY CLAUSE

Subject to paragraph 2) (below), the **Occurrence** of an event associated with membership of the European Union or economic or monetary union in the European Union shall not have the effect of:

- a. terminating; or
- b. altering or invalidating any term of or discharging or excusing performance under; or
- c. giving any party a unilateral right to alter or terminate, this Contract.

If, as a consequence of an event associated with membership of the European Union or economic or monetary union in the European Union, any participating (Re)Insurer is no longer permitted by applicable law or regulation to perform any part of this Contract:

- a. where possible, any terms of this Contract which conflict with applicable laws or regulations are amended to conform to the minimum requirements of such laws or regulations, failing which;
- b. such part *[which the (Re)Insurer is unable to perform]* shall be automatically terminated between that (Re)Insurer and the (Re)Insured with effect from the date that the (Re)Insurer is no longer permitted to perform this Contract. Within fourteen (14) days of such termination the relevant (Re)Insurer shall return any paid but unearned premium, which shall be calculated as expressly provided in the relevant cancellation or termination provisions of this Contract or, if there are no such cancellation or termination provisions, on a pro-rata basis for the time on risk. Unless otherwise provided, if any **Claim** has been notified under this Contract at or prior to the time and date of termination, the premium shall be deemed to be fully earned and no return premium shall be due.

For the purposes of this clause, an “event associated with membership of the European Union or economic or monetary union in the European Union” includes, without limitation, each (and any combination) of the following events:

- a. the withdrawal from the European Union by any one or more members of the European Union (Member States); or
- b. the withdrawal from legal tender of the Euro; or
- c. the withdrawal from the Euro by one or more Member State(s); or
- d. the replacement of the Euro by any alternative single or unified currency by two or more Member States (whether or not they remain members of the European Union) or the introduction of a new currency by a Member State (whether or not it remains a member of the European Union).
